The application is reviewed by NORD's Membership Committee before being presented to the NORD Board of Directors. After the review, which takes approximately 6-8 weeks, you will be notified in writing of the decision regarding membership in NORD. We sincerely appreciate your interest in becoming a member of NORD and joining together with us as part of our membership community to work on behalf of patients with rare diseases.

The NORD Membership Committee reserves the right to deny membership or to discontinue membership of any organization found to be out of conformance with NORD's membership policy.

Annual dues are payable upon notification of membership approval

Annual Dues for **Associate** members are $50 (per above criteria)

Annual Dues for **National** membership are based upon the national organization's annual operating budget for the previous year. Operating budget is defined as "gross annual income." Membership dues are payable upon notification of membership approval.
